

Awards

The top twenty individuals and the top three teams all receive awards. We will be starting the awards during the meet this year to help with logistics.

We have a new awards stand east of the finish line area for presentation of the awards. Parents and fans wishing to watch the awards will cross the course during competition and need to be aware if a race is coming through. We will not do any presenting while the race passes by the awards stand area.

The following is the schedule for the awards this year.

**6A Girls 12:05
6A Boys 12:35**

**5A Boys 12:50
5A Girls 1:05**

**3A Girls 1:20
3A Boys 1:35**

Bob Timmon's Award (non KSHSAA)

This year at the conclusion of the meet a new award will be presented in recognition of Bob Timmons the long time Kansas University Track and Field and Cross Country coach who is the founder and architect of Rim Rock Farm. This award is not a part of the KSHSAA awards ceremony as the award is privately sponsored. The award will go to the individual state champion (one girl's winner and one boy's winner) with the fastest time that day and will be presented following the 3A Boys awards.
